

Grease Rite Multi-Purpose Cleaner and Degreaser

Using the natural emulsifying and degreasing power of citrus oils and high grade detergents.

Grease-Rite will emulsify grease and oil into a water soluble state utilising natural ingredients.

Grease-Rite is a non-flammable, biodegradable and multi-purpose degreaser cleaner.

Grease-Rite can be used for:

- BBQ, Stovetop and Oven Cleaning
- Heavy industrial machinery, parts, plants and equipment
- Workshop floors
- Great for cleaning grime from tiles
- Anywhere you wish to tackle oily, greasy residues
