

Ultimate Urinal Mat

DESCRIPTION

ULTIMATE 2.0 is a revolutionary product combining the concept of biological technology with the world's most exciting fragrance mat

This product is 100% recyclable.

- 1) Premium fragrance mat as well as helping to prevent drain blockages
- 2) World leading Biological Enzymatic Block
- 3) Place mat into the urinal with the block in an upright position with protrusions pointing upward
- 4) Replace mat every 30-33 days to ensure continuous protection from odour
- 5) Controlled release of non-pathogenic bacteria to remediate all styles of urinals
